Mr. Harold Weisberg
Coq d'Or Farm
Hyattstown, Maryland 20734

Dear Mr. Weisberg:

It seems certain that I shall be on the East Coast at the very end of this month--between March 30 and April 2. My itinerary isn't firm yet, but I'll surely be in the Washington area at some time during this period, and of course, if it's convenient to you, I would like to drive up for a brief visit. I will write you as soon as my plans are definite, but in the meantime, could you do me the favor if indicating if you will be at home and generally available during this time? As much as possible, I'd like to plan my visit to suit your own schedule, so perhaps you could also indicate when would be a best time for you.

Cordially,

M. M. Laurence
